WIFI CONNECTION

To connect to your onboard wifi, you will need to go into your wifi settings and the name of your boat **OR** Brinkcraft guest will appear.

Enter the information from the voucher you have been given, once this has been entered, you will need to accept the terms and conditions and fill in a few details.

Once the voucher runs out you can purchase more data via the online portal. (prices online)

HEATING CONTROL

YOUR BOAT IS EQUIPPED WITH THIS HEATING CONTROL.

How to work your heating system

Switch heating on as shown on opposite page.

Allow 10 minutes for the system to start and heat to come through.

If heater does not start after 10 minutes it may be that the temperature in the boat is higher than set.

Set the temperature to maximum, and check the boat batteries are charged. If necessary start engine to charge batteries.

If this does not work please call the on call engineer. 01603 782625 option 3

When heater is switched off it will continue to run for up to 10 minutes while it cools itself down.
